Dear Kokoweef Shareholders,

We would like to inform you of the progress at our Kokoweef Mt. project, and to remind you of the shareholders meeting to elect the Board of Directors for the coming year. Attached is a PROXY for those that are unable to attend.

We are still making progress in Kin Sabe, it has been a struggle over the last few years due to the composition of the rock. We are finally at a good spot to make significant progress. We will discuss more at the meeting.

That being said we are going to have the Shareholders meeting on May 23rd, 2026 at 11a.m., hopefully this will help with any heat issues. The big house is not complete on repairs to have the meeting there. We will have everyone meet in camp by the shop. We will have some tent cover and chairs. Please bring your own lunch or snacks, we will supply the drinks. There is only an outhouse for our facility by the shop. Please wear proper attire for possible hot or cool weather. You never know up here.

Work at Kin Sabe location remains our highest operational priority. Progress there is moving and is critical to our ongoing objectives. The team's efforts at the Hole—led by John, Kevin, Andy, Zac, Marcus, and Lon—have produced meaningful strides in their spare time, and their continued focus and momentum are essential to the project's success. These people work and it's difficult to get everyone or a few to volunteer for work at the same time.

Please stay tuned to our website for news and updates about ongoing site work. If you have questions, or would like to volunteer, or need to confirm your mailing address or any other changes please contact Steve or Carolyn as the administrative team. Any financial help is always welcome. If possible a RSVP would be appreciated for seating arrangements.

We will not offer any tours or digging at this time, please call Steve to make an appointment. We have a lock at the entrance gate now and we want to make sure someone is here and available when investors visit.

Financially, as usual, the annual claims are due end of August 2026 and we really need support from the shareholders for this and insurance. We understand times as hard, but anything from you guys can only help.

Thank you for your continued support of Kokoweef, Inc.
Sincerely,

Board of Directors:
Steven Bisyak, President, Treasure
Andy Murphy, Vice President
Carolyn Chervenak, Secretary

Directors: John Reed
Kevin Cerin
Lon Mullaney
Milo Beck
